

Sunset Valley Golf Club

By Adrienne on May 28, 2018

Sunset Valley's new course features a blend of hole uniqueness, turf conditioning, attention to detail and an overall tribute to the course's rich history dating back to the early 1920s. It is designed to be harder and easier, catering to different skillsets. Every level of golfer will be accommodated with features such as diverse golf hole features, alternative options, a heathland layout making the terrain a challenging golf experience.

In the newly remodeled clubhouse; dining, bar and lounge areas with TV's placed strategically so one can catch a PGA tournament. Interior and exterior spaces accommodate private parties and functions. Visit <http://www.sunsetvalleygolfclub.org/> to find out more about lessons, outings, camps and to book a tee time.
