

# Centennial Ice Arena: Gymnastics Birthday Party Information

## **Frequently Asked Questions**

### **Q: Will the room be set-up and staff available to help me decorate?**

A: We will have the appropriate number of chairs and tables ready upon your arrival, based upon the number of guests you anticipated at the time of booking. Decorating the room to your specifications must be done by the party host. Staff will not be available to help.

### **Q: Can I bring my own decorations? How early can I get into the party room?**

A: The party room will be available to you 15 minutes prior to your party. You are welcome to use your own decorations and/or paper products in the party room. To preserve the integrity of our party rooms, we do not permit silly string, confetti, or craft projects that involve markers, paint, glue, or glitter. Sticky tack must be used to hang decorations.

### **Q: Who is included in the party package?**

A: Each party package includes the set amount of participants. Participants include the birthday child, siblings of the birthday child, and invitees of the party.

### **Q: We have extended family members and parents of guests who would like to stay for the party, are they included?**

A: These parties are meant to be for children to celebrate. We ask that any additional family members or parents who want to stay for the party remain in the activity room for the gymnastics portion of the party.

### **Q: We want to invite a child not in the age category of the party, is that ok?**

A: We do not allow anyone under the age of 3 to participate in gymnastics parties except for an immediate family member of the birthday child. Instructors lead activities that are best-suited for children in the age range of the birthday child.

### **Q: How early should I tell my guests to arrive?**

A: Have your guests arrive at your party start time! There is no need for checking in and guests do not need to sign a waiver. As the host of the party, you assume responsibility for your guests.

### **Q: Can we start in the party room?**

A: No, we have found that a belly full of food is not good before activity.

### **Q: Can I spend more than the designated time in the gymnastics/party room?**

A: No, participants must leave at their designated time and be out of the room 15 minutes after the party ends.
