

## Centennial Ice Arena COVID -19 Hockey Guidelines

### General Guidelines

- You should NOT enter facility if you have any COVID-19 symptoms or you are from a household with someone experiencing COVID-19 symptoms.
- Face coverings should be worn at all times, including while exercising or participating in practices or competition. (updated 8/14/2020)
- Use hand sanitizer or wash hands as you enter Centennial.
- Signage and floor markings will guide participants to the ice surface.
- No more than 50 participants are allowed.
- 20% capacity of spectators with 6 feet social distancing (36 seats ). 1 month notice needed if requesting spectators. Limit 1 spectator per player.
- Parents are not allowed in the locker rooms. Limit 1 parent per child for adult supervision to assist with putting on and taking off skates in the staging area only. Once game or practice begins the adult must leave the facility until end of practice or game.
- Lost items such as personal clothing, shoes, bags will be disposed of daily, except for electronic items and keys. Valuables should be left at home.
- No vending machines or concessions will be available.
- Any positive cases of COVID-19 from players or coaches must be reported to Carol Sassorossi immediately. It is the responsibility of the rental user groups to notify other teams, players and coaches.
- If a player or coach has a positive COVID test the team will follow each renter groups internal procedures.
- LiveBarn will be available for customers to watch online. **10% DISCOUNT - PROMO CODE: 924a-p7sn**

### A. Entrance/Exit Procedures

- Arrive no earlier than 20 minutes prior to your scheduled game or practice time.
- Skaters and coaches will use the left side of front door to enter the rink area. Skaters and coaches will go directly to their assigned locker room.
- No congregating in lobby or rink area. Stanchions will be used to direct traffic.
- Arrive dressed in full equipment for your practice or game. No changing clothes allowed in the facility.
- Once a participant or coach has entered the building they cannot leave and re-enter. If warmups are taking place outside, participants must stay outside until it is time to enter their assigned locker room.
- Assigned locker rooms will be available to put on skates and leave bags. Players must stay in locker room until after the Zamboni has cleaned the ice and the previous participants are out of rink area. Coaches will be responsible for monitoring locker rooms and keeping players in locker rooms with masks on until it is their time to get on the ice.
- Players and coaches must leave the facility within 10 minutes after game or practice.

- All skaters and coaches will use the door in hallway C & D to promptly exit the facility.

**B. Player Expectations**

- Players and coaches on the bench should try to maintain 6 feet physical distancing if possible.
- If helmet is removed, a face covering must be put on.
- No sharing water bottles. The water fountains will remain closed; however, the touchless re-fillable water fountain will be available.
- No spitting or sharing snacks.
- Players should clean and disinfect their equipment after each use.
- No handshakes and hugs before/after game or after-goal celebrations.

**C. Coach Expectations**

- Coaches are responsible to wipe down the players bench and area of all high touch surfaces after each practice or game. Wipes will be supplied by PDHP.
- Coaches should maintain attendance log of participants.
- No handshakes and hugs before/after game or after goal celebrations.
- It is recommended that all coaches and players wear face coverings on the bench when social distancing cannot be adhered to.
- Coaches should reinforce that all players are following all guidelines, social distancing, and mask covering when appropriate.

Guidelines are developed from DCEO and IDPH recommendations and subject to change. 8/6/2020
