

CENTENNIAL ICE ARENA

Guidelines:

- You should **NOT** enter facility if you have any COVID-19 symptoms or you are from a household with someone with COVID-19 symptoms.
- You must always maintain proper social distancing.
- Face masks are required in the facility at all times, even when exercising.
- Registration should be completed online.
- Only pre-registered participants are allowed.
- Spectators are not allowed for gymnastics.
- Only two spectators per skater are allowed for ice.
- Arrive no earlier than 10 minutes before your scheduled program time.
- Do not enter the gymnastics room or ice rink until previous users have left the area.
- Arrive dressed for your session. Limit personal belongings.
- Bring your own water bottle. Water fountains are turned off. Refillable water bottle stations are available.
- Please leave the facility as soon as your program is completed, do not congregate.
