**Adult Lap Swim** is for adults 16 years and older. The facility is not protected by lifeguards during this time. The pool has 4-6 lane lines setup and is ideal for people who are exercising on their own. Swimming alone is not recommended.

**Swim Lessons and Swim Team** is a designated time for Group and Private Lessons in which the pool has limited access for those looking to swim laps. The amount of lane lines are subject to change due to class sizes.

**Open Swim** times, the pool is available for those who wish to participate in non-lap swim activities, as well as to relax and enjoy our pool. It is a great time to workout independently or have family time to play together in the pools. *Private swim lessons may be taking place which affects the amount of lap lanes available.*

**AquaFit** is a Water Aerobics class led by a certified group exercise instructor. The classes focus on aerobic endurance, resistance training, and creating an enjoyable atmosphere with music. Classes need to have a Recreation Membership or pay a daily fee at the front desk.
