

Survey Results - Port Clinton Park Playground Preliminary Planning

Over the last month, the Park District collected preliminary feedback to help guide the playground renovations' designs. We would like to thank you again for participating in the survey campaign and for stopping by the park to share your feedback.

We heard from 53 respondents between June 12, 2023 and July 10, 2023. The survey was promoted through postcards, the PDHP website, and ParkLine.
