

LINCOLN PARK PLAYGROUND 2024 INITIAL PLAYGROUND FEEDBACK

Last year, the Park District collected feedback on Lincoln's tot lot playground equipment. This year, community feedback was collected to help select elementary playground equipment and confirm tot lot equipment. The design options will be refined, and the community will be asked to select their preferred option in September.

Thank you again to all those who participated in the survey and engagement opportunities at the park, which were promoted through postcards, the PDHP website, and ParkLine.
