

Upcycled Cars

This craft makes use of supplies you have on hand and is a fun way to turn a toilet paper roll into a craft activity.

Supplies:

- Car: toilet paper or paper towel roll
- Wheels: cardboard cut into circles or bottle caps
- Axles: straw
- scissors
- hole punch
- paint sticks or markers
- pencil

Instructions:

1. Punch 4 holes in the roll, 2 on each end, slightly below the middle. Punch hole in center of wheels.
2. Draw box on top of roll, cut out half and leave half to serve as a windshield.
3. Decorate!
4. Cut straw in half and place through holes in roll.
5. Attach wheels to straw.
