Adult Lap Swim Adults 16 years and older. The facility is not protected by lifeguards during this time. Swimming alone is not recommended. Programming, including Private Swim Lessons will effect the amount of lap lanes available in our shared community space. *During busy times, Swimmers are encouraged to share lanes: swim side-by-side or circle swim.*

Aqua Fitness Water Aerobics classes are led by a certified group exercise instructors. Classes focus on aerobic endurance, resistance training, and creating an enjoyable atmosphere with music. To participate in class, participants need to have a Park Fitness Membership or pay a daily fee at the front desk. **9:30a class taught by Glenview PD Instructors.*

Open Swim Recreational pool time allowing for a variety of activities like splashing, family use, and general recreation, rather than structured lap swimming. *Private swim lessons may be taking place which limits the amount of lap lanes available in our shared community space.*

Lessons & Programs Swim Lessons and Swim Team have designated time for park district programming. There are limited lap lanes available based on class/program size.

Announcements: New Swim Team Time on Fridays From 5:00p–7:30p.
 Private Rental April 26, 4:30p–5:30p, Pool Closed.
